# TSE Certificated, Easy Cleaning Antibacterial Surface

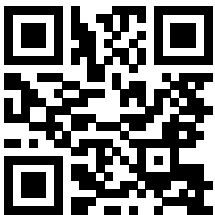

Bathrooms and toilets are the main places we want to keep hygienic in our living spaces. Today, the effort to clean microbes and bacteria that cause epidemic diseases such as coronavirus leads consumers to new searches.

Idevit is a leader of technology and innovation, continue to creating products for customer request.

Products with antibacterial surface save water and energy with the feature of being easily cleaned using less cleaning materials and water.

By scanning the Qr code, you can watch our Idevit toilet seat introduction video.

IdeRimless  
**Rimless WC Pan**

There is no rim or holes in Iderimless toilet technology. The new generation rimless wc pan developed by Idevit provides dirt-free and sediment – free, easy cleaning, more hygiene and aesthetic using, compared to standart wc pans.

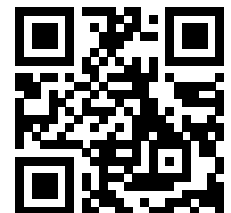

## Invisible and Easy Installation

Idevit provides different wc pan options for each bath needs. Montage is easy for wall hung wc pans with easy installation feature. Invisible installation feature provides aesthetic appearance to your bathroom.
